Movement Through The Mobile

Just as the mobile, an abstract creation of modern art, is constantly moving and changing form, so is our busy school life at Thomas Jefferson. The daily classes, student committees and activities keep us advancing rapidly along the paths of knowledge and friendship. Likewise, the keen competition confronted in our cadet companies and by our athletic teams moves us on to good sportsmanship and teamwork. The "wind" that makes this mobility possible is the incessant school spirit and high ideals enumerated in our pledge. Thus, the art motif used in this year's Monticello, the ever-changing mobile, stands as a symbol of the progress and pleasures we at Thomas Jefferson have enjoyed throughout the year.

Executives of Our Government

The Senate is the highest legislative body in the school. Its twenty-one members are elected by the classes which they represent with exception of the officers, who are elected by the school at large. Headed by Mrs. Katherine Brumble and Mrs. Anne Plunkett, the Senate meets each day during third period in room 408. On Tuesdays its business meetings are open to students with third period studies. The best way in which the Senate can accomplish its tasks is through its numerous committees. Each Senator, in addition to heading one of the many regular S. P. Committees, is appointed to serve on special committees and one standing committee throughout the year. Besides the items which come up during the year, the Senate tries to solve the unfinished work of the preceding year and follow suggestions left by the last year's Senate. Some of the

major problems which the Senate worked on this year were the revision of the point system and the constitution, a change in the status of the cheerleader in the school's activities, and the sponsoring of informal dances after athletic events. The Senate sends two representatives to the City Federation of Student Councils and four to the State Student Council Association Convention at Radford in March. A highlight of the year at Tee Jay is the S. P. election held each spring. Nominations for S. P. officers and Senators originate in the homerooms. From these a slate of nominees is drawn up. After spirited political oratory, publicity stunts, and an impressive display of posters, every Tee Jay student is ready to march to the polls in his precinct to cast his vote.

See you around for the

Cooperation Through Coordination

To promote a feeling of cooperation and understanding among Tee Jay's various extracurricular organizations is the objective of the B. O. C.. Composed of representatives and sponsors of all three organizations, the B. O. C. has the task of assigning dates for social events, sports events, and club meetings of various kinds. This prevents conflicts and gives each activity an equal opportunity in carrying out its yearly program.

Headed by Mrs. Brumble, the sponsor, and Cutler May, the president of the Student Participation Association, the board meets every second Tuesday of the month. This committee plays a very important role in our student government.

Help for Homerooms

The Council of Homeroom Presidents endeavors to strengthen the individual homerooms and to make them strong bases for a sound student participation. In the meetings, which are held monthly, the Council tries to inform each homeroom president about the functions of the student participation and to help him to conduct more successful and efficient meetings. Once again this year, the Council has undertaken the project of tabulation of student participation points of each person in the homerooms. This important organization, which is constantly improving our homerooms and school functions, is sponsored by Mrs. Brumble.

Ladies and Gentlemen of the House

"Will the meeting please come to order?" is a familiar expression to House members, heard on the first and third Mondays of each month. Presiding over sessions of the House of Representatives is the vice-president of the student body. Each homeroom conscientiously elects one House member on the basis of leadership, character, dependability and a willingness to participate. During the meetings conducted in 218, the various representatives bring in suggestions from their homerooms for improvements in the school and, after discussion, vote on these suggestions. Through the House, sponsored by Mrs. Anne B. Plunkett, each

Representative Government

student in the school is enabled to voice his opinion, and in this way student participation in the government of Tee Jay has greatly increased. The House is actually the most direct link between each student and the S. P. itself. Students may gain valuable training and knowledge from serving as House members, for not only will they become well acquainted with parliamentary procedure, but they will also come to realize how a truly democratic government should function. This year's officers have been Becky Branch, president, and Pat Henderson, secretary.

Strong Characters . . . Good Citizens

The Character Committee proposes to promote honesty, courtesy, self-control, cooperation, and obedience to authority as stated in our school pledge.

These ideals are held before the student body through the homerooms. Each homeroom sends a representative to the meetings to discuss problems and exchange ideas. A steering committee, headed by the Senate chairman, Sam Witt, along with the sponsor, Miss Elizabeth Beaman, plans activities and programs to be presented in the homerooms. It is the responsibility of each representative to see that these programs are presented in his homeroom and to decide how they can be presented most attractively.

Aid to the Helpless

Meeting the first Friday of each month, the Junior Red Cross Council accomplished much this year. Ever mindful that the Red Cross is training in citizenship, students responded unusually well for volunteer work at the Richmond Chapter House, McGuire Veterans Administration Hospital, and the Medical College Hospital. Phases of Junior Red Cross work were presented in an assembly program in November, and beautifully decorated baskets, filled with canned foods for the needy in Richmond, adorned our stage for the Thanksgiving program. Mrs. Lucille King was sponsor of the council and Suzanne Glenn was the Senate chairman.

Quiet, Please

No busier students are found in Tee Jay than the members of the Library Staff, each of whom devotes a period per day to library work. Three or more students work each period. One student is assigned to perform the routine duties of the desk. The other students shelve books, run errands, and keep the library in good working order.

The whole staff meets during homeroom period of the third Friday in September, January, February, and May. This session the staff has been under the leadership of Mary Phillips, president; Susan Payne, vice-president; and Beverly Tyler, secretary.

The members of this staff not only aid the school, but gain valuable experience looking towards a vocation as librarian.

A Place for Concentration

Quiet, considerate, and responsible students make up the Library Committee. These capable ones check the time on passes of students entering and leaving the library and see that they are perfectly filled out. They help also in keeping the library a quiet and orderly place in which to work. Two shifts of members work alternate weeks in their study and homeroom periods. The Senate notifies these students of their assignments to duty and sees that the committee is fully staffed. Here a student may serve the school and have the opportunity of gaining experience in a field of work that may become his vocation. The committee is under the sponsorship of Miss Clyde Carter and Miss Martha Savage, Tee Jay's librarians.

Tee Jay Traffic Cops

The poor confused freshman or any other bewildered student at last finds his way about Tee Jay, directed by a member of the Traffic Committee. This committee is sponsored by Mr. Clyde B. Fortna and consists of three weekly shifts of twenty-four boys each. Its members leave their classes three minutes early in order to station themselves at strategic positions in the halls and on the staircases. Here they prevent traffic jams and see that rules are followed. On each floor there are three rovers who substitute for absent workers. This committee is responsible for Tee Jay's orderly halls.

Good Turns for the Counselors

The alert girls that one sees working in the guidance office each day perform an invaluable service to the pupils of Thomas Jefferson as well as to the school. These students, who are members of the Guidance Aid Committee, help the counselors every period. They answer telephone calls, assist in clerical work, and run errands for the busy counselors while they themselves gain valuable knowledge and practical experience in office work. Besides performing these duties, the girls act as receptionists, rendering friendly help to visitors to the guidance office.

Typist Committees make up this indispensable group, headed by Mrs. Brumble. Members of this group also fill posts of committeemen absent from the regular committees that serve the school.

Sellers and Servers

A money-making organization is the Bus Ticket Committee, which serves on Monday and Wednesday afternoons after school and Tuesday and Thursday mornings before school. The proceeds go to the Student Participation Association. Wyatt Beazley and Miss Brandenburg supervise the morning shift while Miss Sanford and Nancy Sykes are in charge of the afternoon shift.

Running errands for the Tee Jay office and signing up students who come late is the important task assumed by the Office Aid Committee. Besides this, the members guide visitors around school, obtain information from the pupils' schedule file and help the secretaries in various other ways. The forty-three students who serve on this committee are divided into three shifts.

Runners of Errands

Open to boys only, this committee provides a boy each period for the purpose of helping Mr. Smith, faculty manager of athletics. These students run errands, carry notes, and do odd jobs in Mr. Smith's office. This is one of the many groups that keep our school running smoothly by doing small but essential jobs.

Daily Statistics

Indispensable to the homeroom teachers and the office are the Daily Reports and Absentee Sheet Committees. Sponsored by the student Participation Association, these sudents learn punctuality and efficiency. Collecting the daily attendance reports from the homerooms during first period, the members of the Daily Reports Committee deliver them to the office.

During the third period the members of the Absentee Sheet Committee carry the lists of absent students to all teachers and administrators. Working in shifts during their study periods, these students are only a few of the important cogs which keep the wheels of Tee Jay turning smoothly.

Scientists of Tomorrow

Setting out chemicals, arranging specimens, unlocking "lab" desks, or wheeling carts full of microscopes around the halls, the laboratory assistants are on the move, doing jobs to help the science department. These helpers serve one period each day in the biology and chemistry laboratories, helping the science teachers and often giving aid to the students. After they have performed their duties, they usually find time to do their homework or go to the library. Mrs. Browning and Miss Gill supervise these groups. They, along with the other science teachers, find that the two or three extra pairs of hands are quite helpful in taking over some of the time-consuming tasks.

Items of Importance

Each morning promptly at 8:30, the "postmen" of Tee Jay, the members of the Messenger Committee, begin their duties by reporting to room 408 for their assignments. The delivery of all notices sent out by S. P. committees is entrusted to them. Since its formation in 1943, this committee has been one of the most essential and hard working groups in the school.

Showing film strips, operating victrolas and tape-recording machines, the members of the Audio Visual Staff aid the teachers in visual education. Without this important crew, students would be unable to enjoy the interesting films they view in their various classes, and this staff is indispensable to the orchestra and choir in making recordings.

Aids to Visual Education

Composed of six boys who willingly relinquish one study period a week to help make Tee Jay a neater place is the Eraser Committee. Every Monday, Thursday, and Friday, at first period, these boys go on duty in alternating shifts. This enterprising crew collects the erasers from each classroom, cleaning and returning them before the end of the period.

The receptionist moves from her post frequently to assist visitors.

Friendly Smiles, Helpful Guides

The efficient work of the Usher Committee has enabled the assembly programs to start promptly and without much confusion. Just Call on Us . . .

Tee Jay's day begins with announcements at 8:48 over the public address system. Meetings, contests, coming events, or any other information of interest to the whole student body are broadcast. This year in an effort to place more emphasis on correct speech, the students who make the announcements are selected from Miss Marks' advanced speech class.

"Assistant Angels of Mercy," is a name given to the girls who are helpers of Miss Lamb, the school nurse. The group has as their motto the Golden Rule—". . . All things whatsoever ye would that men should do to you, do ye even so to them . . ." The officers during the first semester were Howard Baldwin, president; Betty Rhodes, vice-president; Carolyn Cauthen, secretary; and Bob Winston, treasurer. The Tee Jay Forum is open to all students who desire to gain a knowledge of current affairs through informal group study. Our city and state government has been the theme of this year's Forum. The programs of the club, ranging from outside speakers to panels and debates by members, thoroughly cover the theme. A climactic spring trip is usually planned to some distant point to witness a phase of government in action. This trip is in addition to short excursions which occur several times during the year.

Guiding this past year's activities have been Charles McFee, president; Rose Hynes, vice-president and program chairman; Marguerite Dorsey, secretary; and Ed Arvin, treasurer.

Orchestral Strains

For all aspiring young musicians and those not so inspired room 136 is provided as a music making center. Under the able baton of Mr. Frank Wendt these students of the classics may rise to exceptional heights of achievement. The orchestra participates in diversified activities such as the Virginia String Clinic and the annual spring concert. Also in the spring the choir joins the orchestra in the production of an operetta. Proceeds from such performances are used for equipment, music education, trips, and amusements. Annually officers are elected from the orchestra at large to help Mr. Wendt in the execution of his duties.

The February arrivals at Tee Jay who entered the orchestra have, as stated by Mr. Wendt, given the orchestra excellent instrumentation.

Both performers and audience at the Annual Spring Concert, April 23, were delighted to have as guest performer Charles Wendt, an ex-Jeff and son of the director.

Initiative and Leadership

Scholastic standing, leadership ability, and character are the bases for election to the Key Club. This club is an international organization sponsored by the Kiwanis Club, and is composed of boys in the sophomore, junior, and senior classes. The standards of the international Key Club are to strive for useful citizenship, to develop initiative and leadership, to provide experience in living and working together, and to serve the school. This year, in order to carry out its principles more successfully, the Key Club, whose very able Kiwanian sponsor has been Mr. G. C. Pembroke, was reorganized. This year's officers have been Jimmie DeVoe, president; Edgar Baird, vice-president; Bert Sikkelee, secretary; and Crow Ferguson, treasurer.

Satisfaction from Service

A group devoted to the task of realizing our common goal in life is the Thomas Jefferson Y-Teens. Sponsored by the Y. W. C. A., the club is under the guidance of Miss Alma Lowance, faculty member. Members of this club are not only members of a school club but members of a world-wide fellowship organization for teenage girls. Discussions on friendship and union, racial, social, and religious problems, with speakers from various countries and from many walks of life are included in the club's agenda. Talks on travels, fashions, and personalities, as well as swimming parties, picnics, and parties for the children at the Methodist Home comprise the lighter activities of the Tee Jay Y-Teens. The organization has had a very successful year and won the city banner for having achieved the largest enrollment in Richmond.

Friendship and Fun . . .

Tee Jay boys who are members of either Hi-Y I or Hi-Y II have the task of creating, maintaining, and extending throughout the school and community high standards of Christian character and making our school a better place for clean living and sportsmanship. Both Hi-Y clubs are a part of the great, nation wide organization, the Y.M.C.A., and meet weekly, each on a different night, at the "Y." The programs consist of a business meeting and an address by a guest speaker, a movie, or some other activity. Both Hi-Y clubs at Tee Jay serve and help their fellow students in many ways. At lunch time the members take over duties in the "Rec" hall and cafeteria to see that they are kept orderly. An annual money raising project is the selling of programs at all of Tee Jay's home football games and the selling of drinks at the dances held after various games. Hi-Y I sponsored the Victory Dance at Tantilla Gardens after the T.J.-J.M. football game. This year's officers of Hi-Y I have been, Wyatt Beazley, president; Edgar Baird, vice-president; Jimmy Ferguson, secretary, and Phil Morris, treasurer. Hi-Y II officers have been Harvey Lee Williams, president; Tommy Lansinger, vice-president; Horace Edwards, secretary; and Johnny Waters, treasurer.

Tee Jay's Story . . .

"The amount of work that must go into publishing the Monticello is amazing," say the editors. The average student, leafing through the annual, enjoys seeing pictures of himself, his classmates, and teachers. He rarely thinks of the effort that must go into planning the pages, identifying the individuals pictured, and writing the snappy headlines, and the accounts of various school activities.

The purposes of the annual, which is to tell the story of the year in Tee Jay, is carried out through pictures, writing, and art work. Working in an informal atmosphere, under the fine leadership of Miss Grace Rowe, the editors and staff strive to carry out the chosen theme and complete their job before the printer's deadline.

Last year the Monticello was awarded the rating of Medalist in the Columbia Scholastic Press Association and a first class rating by the National Scholastic Press Association.

In Pictures and Type

Each year one staff member attends the annual meeting of the Columbia Scholastic Press Association, and one member attends the annual meeting of the Southern Scholastic Press Association held in Lexington, Virginia. The new ideas brought back from these conferences are readily put to use.

In order to join the staff Tee Jay students must be successful in their regular school work. They must possess the spirit of cooperation and show perseverance and initiative.

The effects of the hard-working staff are repaid by the great satisfaction experienced at the appearance of the new annual. Quill and Scroll membership is awarded to deserving members of the staff.

The year's work is climaxed at the gay banquet attended by both the Business and the Literary staffs of the Monticello. It is to this group that the yearbook is first distributed.

Affairs of the Budget

What is more exciting and satisfying than producing an annual which interestingly depicts the events of our school year? Such is the feeling of the members of the business staff of the Monticello as they hurriedly deliver the annual to the eager students. However, much work precedes this final act. Advertisement contracts must be secured from various merchants; junior, senior, and organization pictures must be taken; sales for the yearbook must be solicited; and "ad" proofs must be compiled and arranged for the printer. Although the work is exacting, it is accomplished with few difficulties through the guidance of the business adviser, Miss Frances Gray. Every Friday in room 107 the members are introduced to the intricacies of the business world, and from it they gain information which is of use in later life. At the gala banquet, both

Monticello staffs are truly proud when the finished annual is first presented. Here new members for the following year are welcomed, new staff appointments are announced, and old members find their reward for a year's hard work. One reward for faithful service is recommendation for membership in Quill and Scroll, given to eligible juniors and seniors who meet scholastic requirements.

As usual this year a member of the business staff attended the Annual Convention of the Columbia Scholastic Press Association, held at Columbia University, New York City. The staff's representative was Carol Freeman. Eleanore Craig was chosen to represent the staff at the Annual Convention of the Southern Interscholastic Press Association, sponsored by Washington and Lee University, Lexington, Virginia.

Deadline Ahead

The five aims set forth in "We Advocate" were decided upon by the Jeffersonian Editorial Board before school began in September. The Editorial Board has studied, made recommendations, and has striven to carry them out.

WE ADVOCATE

- Stronger relations between the student body and the S. P. through the Jeffersonian.
- Sincere enthusiasm in school life.
- Closer contact between the community and school.
- More activities sponsored by the school.
- Closer relations between faculty and students.

Keeping the student body informed is the task of the News and Sports Departments. The Feature Department presents the students' views and the humorous side of life at Tee Jay.

All work is done by the students during fifth and sixth periods, after school, and in occasional "breakfast sessions."

Most staff members are graduates of the journalism class during the junior year.

This year the staff was headed by Farris Hotchkiss, edi-

tor; Virginia Hall, assistant editor; and Sue Davenport, public relations manager. In charge of the News, Sports, and Feature Departments are Margie Kaufman, Richard Sanders, and Phyllis Bailey, respectively. Along with the page editors and other members of the staff, the Jeffersonian has tried to fill the requirement of any newspaper — to report the news directly, truthfully, and in a pleasing manner.

Never was a Tee Jay staff so well represented at the Annual Convention of the Columbia Scholastic Press Association in New York City as was the Jeffersonian Literary Staff this year. The delegates attending were as follows: Editor Farris Hotchkiss, Virginia Hall, Jeanne Jones, Jo Jacobson, Sue Davenport, Phyllis Bailey, Sue Kid, and John Peters. This enthusiastic group brought back a medalist award for the Jeffersonian, a rating given a very small percentage of first place papers. Bunky Miller attended the meeting of the Southern Interscholastic Press Association, at Washington and Lee University, Lexington, Virginia, April 29, 30, and May 1.

Hard Won "Ads"

Under the supervision of Miss Thelma Bryant, the members of the Circulation and Advertising Staffs work tirelessly to promote the business end of the Jeffersonian.

The Circulation Staff, which handles all duties pertaining to subscriptions and distribution, is divided into three groups: sixty homeroom lieutenants, fifteen captains, and the managers. At the beginning of each semester the Circulation Staff promotes a drive for term subscriptions of seven issues for sixty cents. The lieutenants collect money from the members of their rooms; and the captains who each have charge of four home-

rooms, collect from the lieutenants on Tuesdays and Fridays before the paper is distributed. This staff also handles the mailing list for alumni and complimentary subscriptions.

The Advertising Staff is composed of a manager, two assistant managers, a staff of copy writers, and solicitors. The manager and her assistants make up the layout for the dummy and give out assignments. The copy writers draw up new copy, and the solicitors obtain advertisements from local business concerns. In 1947 the Jeffersonian Advertising Staff was approved by the Retail Merchants' Association, which enables it to secure advertisements from leading Richmond corporations; and recently

Selling Subscriptions

this staff has won high recognition from the Columbia Scholastic Press Association. The Advertising Department strives to train students in the proper approach to business problems and to foster good relations between the business public and the students.

As in previous years the Jeffersonian Business Staff was represented at the Annual Convention of the Columbia Scholastic Press Association, held at Columbia University in New York City. A medalist rating for the Jeffersonian — the highest rating possible for a school newspaper — has brought to the Circulation Staff requests for the Jeffersonian from schools throughout the nation. The Business Staff sent three delegates to the Annual Convention of the Southern Interscholastic Press Association, sponsored by Washington and Lee University, in Lexington, Virginia, on April 29, 30, and May 1 of this year. The delegates returned eager to put into practice the ideas received at the two conventions.

Athletic Ladies

The Tebahoes recently organized in the school promote girls' athletics at Tee Jay by emphasizing sportsmanship and fairplay, arousing interest, and encouraging participation. The club, sponsored by Miss Edith Todd, is composed of sophomore, junior, and senior girls who play on one varsity team, one junior varsity team, or two of the third teams. The Tebahoes meet twice each month at the home of a member to transact business, hold profitable discussions, and enjoy good fellowship. Two of their projects this year were sponsoring the Cafeteria Committee and selling Tee Jay sweaters. The proceeds from the sale of sweaters paid for a hockey stand and improvements in the girls' locker room.

Ways with Words

Have you wondered about the frenzied gestures, the pointed discussions, and the busy scratch of pencils in room 206 each day at the 6th period?

Wonder no more! You've only been witnessing the earnest actions of the Declaration Literary Staff as they evaluate, select, and edit material. Each piece of material is read to the entire staff before any selections are made. Then it is necessary to determine how much space each article will occupy in the magazine. This process is known as counting characters. Also included in the production of the magazine is extensive publicity work.

This year the staff, with Peggy Anne Kelley, editor-in-chief; Mary Alice Ross, associate-editor; and Miss Singleton, literary adviser, has produced two outstanding magazines.

An Eye to Business

"We are over!" This is the exclamation heard in room 204 when the Business Staff of the Declaration obtains the amount of advertising necessary to finance the magazine. Under the guidance of Miss Gary, adviser, and Mary Ann Williams, business manager, the staff sets up the "dummy" and makes plans, with the assistance of Mary Turner, circulation manager, for the distribution of the magazine. The art staff, with Miss Charlton as adviser, creates an artistic cover and individual illustrations. All the while the typists prepare the material in its final form for the printer.

The Business Staff was represented this year at Columbia Scholastic Press Association in New York by Mary Turner and at the Southern Interscholastic Press Association, held at Washington and Lee University, in Lexington, by Ann Smith.

"Nos Morituri te Salutamus"

Despite their humorous name and motto, "Nos morituri te salutamus," the Latin Club is a very serious group composed of advanced Latin students. Meeting in room 107 on alternate Mondays, they adequately prove, under the quidance of "Magister" Gray, that Latin is not a dead language. Called to order by the "consul" Aubrey Brown, the members then participate in a program planned by Anne Miller, "pro-consul." Translating Cicero, planning and producing a Latin newspaper, giving a Latin banquet, enjoying an outing from the funds collected by "quaestor" Joan Marshall, writing for the Declaration, and participating in the Latin tournament are a few of the outstanding accomplishments of this very progressive club. All club members agree that Latin is very useful in their daily lives and that they have benefited greatly from having studied it.

Mr. Woody's Boys

The S. P. - 123 Club is an organization which is composed of boys who have aided and served their school in various ways and who stand for the highest ideals of Christian character. The aim of S. P. - 123, under the sponsorship of Mr. Woody, is to promote school spirit and aid the school in all activities. One of the projects of the club for this year has been to keep the cafeteria and "rec" hall orderly and clean at lunch periods. This year's officers have been Bob Greathead, president; Johnny Murphy, vice-president; Jack Sullivan, secretary; and Billy Roberts, treasurer.

The S. P. - 123, in distinction from the Key Club and the H-Y, sponsored by organizations outside of school, is purely a Tee Jay sponsored club with a charter drawn up within the school. When a student applies for membership his application is considered by the club and on the basis of his qualifications he may be elected to membership.

Outstanding Students . . .

All over the world the national Quill and Scroll society strives to accomplish its high aims, providing recognition for outstanding student writers and helping young writers to improve their publications. The requirements for membership are at least a year's work on a publication, a recommendation by the adviser of the publication, based on superior work done by the student, and a B average in school subjects. The new members of the Thomas Jefferson High School chapter are initiated in an impressive candle lighting service held in the school auditorium.

Win Journalistic Acclaim

Seven candles are lighted as symbols of the ideals of the Quill and Scroll society—truth, loyalty, enlightenment, opportunity, initiative, leadership, and friendship. Then the new members recite the pledge: "I do pledge myself to do all in my power to work for the advance of my community, to be loyal to my superiors, to live up to the ideals of true journalism, and to be impartial in my interpretation of truth." Led by Carolyn Boxley, president; Farris Hotchkiss, vice-president; Peggy Anne Kelly, secretary; and Leah Eubank, treasurer; the Quill and Scroll meets after school once a month to work for the improvement of journalism at Tee Jay.

They Lead the Way . . .

"I pledge myself to uphold the high purpose of this society, striving in every way, by word and deed to make its ideals the ideals of my school and of my life." These noble words constitute the pledge of the National Honor Society and this pledge all of its members strive to fulfill. Seniors who possess strong character and outstanding leadership ability, who have promoted school activities and given active service to the school, and who have attained at least a "B" average are eligible for membership in the society.

The "tapping" ceremony which designates the new members to the society is a very solemn affair. The older members of the National Honor

In Scholarship and Citizenship

Society move swiftly up and down the aisles of the auditorium, lightly tapping the shoulders of the ones chosen for the honor. The initiates then don robes and proceed on to the stage for the ritual of initiation.

After this is completed, the initiates are seated. They rise one by one as their names are called in alphabetical order. When the last name has been called, they are asked to repeat the pledge. This ends the ceremony.

Membership in this nationally recognized society is a great honor and a fitting climax for outstanding leadership and scholarship. It is the dream of every conscientious student.

Delightful Dances

The Club 16 Committee is composed of four appointed representatives and other volunteers chosen from the student body at large. They represent Tee Jay on the Club 16 Board of Managers. Along with the representatives from several other high schools in the Richmond area they assist the City Department of Recreation and Parks in planning three dances during the year. These affairs are held at the Mosque for Richmond teen-agers.

Where's
Big Sister?

SSSS . . . BOOM! AHH . . . !

Spurred on by the familiar strains of "Jeffersonian," this year's peppy cheerleaders, headed by Mary Rolfe O'Neill and Page Waynick, led the Tee Jay rooters through yell after yell as they cheered the Big Red Team on to victory. The tumbling twelve were on hand at every game. Because of their enthusiasm the spirited group kept the students cheering and offered their encouragement even in the darkest minutes of play. The cheerers chartered buses for the Jeffs to most out-of-town games and boomed a welcoming cheer to the opposing rooters.

Whooping it up at the spirited pep rally and decorating the stadium for the "big" game with streamers of red and white was work well-done. The highlights of the annual gridiron classic with John Marshall on Thanksgiving Day was topped by the dynamic float contest. The Tee Jay spirits, riding onto the field in a grader, set the Jeff rooters in a cheering mood.

For the first time the student body chose "Miss Jeff" — Miss Sally Thompson and her court consisting of eight princesses. Others who reigned over the football game were Joanne Snow, Barbara Kilday, Sue Taylor, Katheryn Smith, Betty Powers, Becky Branch, Carolyn Williams, and Margie Duke.

Mr. Allison, whose faithful leadership will long be remembered, capably guided the cheerleaders. The pride and joy of the rah-rah gang was their adorable mascot, perky Pat O'Neil.

Next year Elizabeth Beazley and Carroll Farley will be out front to lead the Presidents on to many more victories with their spirited yells and songs!

SHINCRACKERS ON THE GO

'Tis said that practice makes perfect, and our girls' hockey team is a shining example of that proverb. As a result of long after-school practices, the femmes, taught the skills of the game as well as good sportsmanship by their coach, Miss Edith Todd, had almost a perfect season. Led by Patsy Clarke, Jane Ellen Gilbert, and Patricia Mayo as tri-captains, the girls suffered only one defeat. It was not Tee Jay's day for victory, as the final score of the shincrackers' game with St. Catherine's was recorded 2-3 in favor of St. Catherine's. Manchester also gave the girls a little trouble with the final score ending in a tie of 2-2. All totaled, the femmes won seven games, tied one, and lost one. The Junior Varsity fared just as well when at the end of their season they had lost only one game, also to St. Catherine's, by the close score of 0-1 and won the remaining four games in their schedule by a great margin. At the Virginia Allied B Tournament in Petersburg, Pat Carr, from Tee Jay, was placed on the Reserve Team.

TACKLE, TUMBLE

In the opening contest of the 1953 gridiron season, the alert Tee Jay eleven surpassed Andrew-Lewis of Salem. With the sedulous efforts of the Jeff line and the hard running of halfback Stuart Elliott, Tee Jay was paced to their first victory of the season.

The fumbling Presidents were defeated for the first time in nine games by an underdog Petersburg team. By failure to hold the pigskin, through costly miscues, the Jeffs were set back by the Crimson Wave.

In their third encounter of the season, Tee Jay and George Washington battled to a 7-7 standstill. In a highly defensive game, the opposing lines played outstanding ball. The Jeffs' only score came when Howard Eisen sneaked over from the one-yard line.

The heavily-favored Hampton eleven, with the state title in mind, were surprised by the fighting Presidents. Although the Jeffs struck early in the game for their only score, they were later overcome by the undefeated Crabbers.

In their first City-League encounter of the season, the Jeffs' offensive spark came to life, as they were led by the hard-running of Tom Lansinger and Stuart Elliott and the jump passes of quarterback Dabney Stuart to a decisive victory over the Panther eleven.

A spectacular defensive battle was seen when the Red and White edged Washington-Lee of Arlington by a 6-0 count. The lone tally came on a 31-yard dart-off tackle by Bernard Pitts. Guard Frank Call and end Dean Mook were the defensive standouts.

A sudden and heavy snowfall the night before the Hopewell game forced a cancellation of the important central district encounter.

Through Dabney Stuart's surperb passing and Tee Jay's brilliant defensive maneuvering, the Presidents came out on top with a 12-7 win over Warwick.

Tee Jay scored in the fourth quarter with a fine pass by Bernard Pitts to end Cutler May to tie a fighting Highland Springs team. The defensive play of the Jeffs was brilliant as an intercepted pass counted for the Springers' only T-D.

TOUCHDOWN SEASON

The Jeffs and the Justices climaxed their respective seasons with the annual Turkey Day classic at City Stadium. Coming into the game a decisive underdog, Jay Em played their best game of the season, although they went down in defeat to the Jeffs. Frank Call set up the score with a 15-yard pass-interception. In the defensive maneuvering the forward wall was fired up by Ted Pond, Cutler May and Warren Belcher, who were well backed-up by Howie Eisen, Frank Call and Stuart Elliott.

At the close of our winning gridiron campaign, the name of center Ted Pond appeared on the All-Southern team, while guard Frank Call and Pond represented the Jeffs on the All-State roster. The coaches of the Central District selected Pond, Call, end Cutler May and halfback Stuart Elliott.

COOL JEFF CAGERS

The Tee Jay cagers opened their 53-54 season at home, mauling a completely outclassed Maury five. All-City center Edgar Baird started his fabulous scoring, collecting 25 points. When they moved to Benedictine, the Jeffs took the lead in the city, walloping the Irish 62-44. In a thrilling home encounter, the Belt Liners bowed to E. C. Glass 57-56 in a nip and tuck game.

At Alexandria the Presidents suffered another setback when they lost to George Washington. Returning home to the victory trail, Tee Jay defeated Highland Springs. The Jeffs proved to be a state power house by soundly defeating Petersburg 77-58 on the Waves' home floor.

The quintet continued their successful road excursion by dumping Hopewell 75-56 and Hermitage 71-50.

The Presidents split a pair of games in the Tidewater area, losing to Hampton and winning over Maury. In both scraps Phil Morris bucketed 18 points. Edging Petersburg 63-62 in another home contest, the Jeffs slaughtered the Hopewell Blue Devils 80-42, but Baird suffered a knee injury, sidelining him for several weeks. Thomas Jefferson

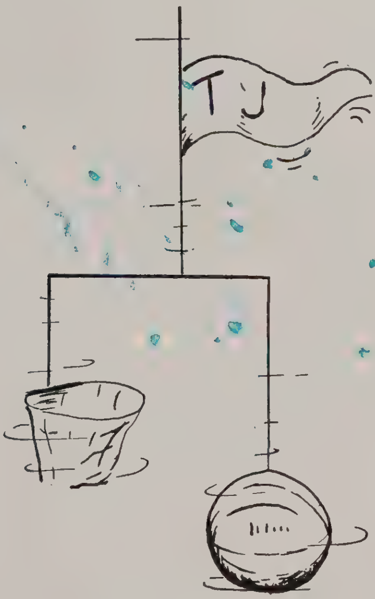
CLOSE ACTIVE SEASON



at Highland Springs defeated the Springers, with "Tiddle" Witt registering 23 points. In a home tussle, the Belt Liners walloped Hermitage 77-39, as Parker paced the winners with 16 points.

At Gray's Armory, Tee Jay lost a big game to John Marshall.

At Lynchburg, the Jeffs were defeated by E. C. Glass 61-42. Saint Christopher defeated Tee Jay 69-61 on the winner's hardwood, with Ferguson high scorer. The Jeffs snapped a three-game losing streak by edging Hampton 59-57.

The Jeffs completed their regular schedule in fine fashion as they edged Jay-Em by 71-70. The win forced a play-off. In spite of a great rally, Tee Jay was beaten by a strong John Marshall five.

The impressive 15 victories—6 defeats record can be attributed to the superior work of the entire squad and to their coach, Mr. Bloxsom.

Completing another very successful season, the Jay-Vees lost but one game throughout the entire season, that with George Washington. With so many outstanding cagers, the squad was on the level with Coach Joe Uram's previous ones.

LADY HOOPSTERS PLAY IT UP

If one chanced to look into the girls' gym between the months of December and March on Monday, Wednesday, and Friday, one would find the lady hoopsters tirelessly practicing long after the 3:10 dismissal bell had rung.

The femmes, coached by Miss Mildred Brame and led by Jane Ellen Gilbert, Ann McConaghy and Diane Diedrich as tri-captains, lost only two of their ten games, these to St. Catherine's and Hopewell. Their spirit and sportsmanship throughout the entire season won them many favorable comments.

In the All-Prep Tournament, held at the R.P.I. "Gym," girls from John Marshall, Hopewell, Petersburg, Collegiate, St. Catherine's and Thomas Jefferson were selected by the judging committee to play on the All-Prep and Prep-Reserve Teams. Diane Diedrich, a senior at T.J., was chosen for the second consecutive year to play on the All-Prep. Leslie Hughes, a sophomore, and Janet Harwood, a freshman, were also chosen from T.J. to play on the All-Prep Reserve.

The Junior Varsity had a very good year, winning nine games and losing one to St. Catherine's.

The Freshman-Sophomore, led by co-captains Alice Kent and Sharon Etheridge and coached by Miss Edith Todd, captured seven games and lost two.

FEMMES TAKE TO DIAMOND

At the beginning of this year's femme softball season, about thirty girls reported during sixth period and after school to the diamond in front of the school. Under the watchful eye of their able coach, Miss Mildred Brame, the group was narrowed to the twenty-two girls who had displayed the most skill and interest in playing the sport.

Practice began in the early part of April, with the lady sluggers striving to perfect a batting stance in order to improve their swing, to perfect a slow drop pitch, or a perfect throw from second to catcher. Miss Brame was always nearby to advise and aid the girls in any needed improvements. Two seniors, Ann McConaghy and Ann Marie Clark, were selected as co-captains. Both girls have played on the team during all four years of their stay at Tee Jay. Only a few girls have returned from last year's team but with the excellent support of the new lady femmes, this year's season has been one of the best.

ON TEE JAY'S DIAMOND, 1954

After suffering defeat in the first four games of the season, Coach Bloxsom's baseball team finally broke into the wining column by defeating Hopewell's Blue Devils 5-3. Edgar Shine's round-tripper provided the winning margin. Bolling Langhorne received credit for the victory, but had help from Ralph Bethel in the late innings. Then Tee Jay, behind Ralph Bethel, took its second straight victory, and its first within the city, by downing Saint Christopher 6-4.

After dropping a 2-1 heartbreaker to Hermitage and a 7-0 shutout to Highland Springs, Tee Jay again defeated Hopewell's Blue Devils by a 3-0 score. Back-to-back triples by Binkie Sheppard and Edgar Shine provided the winning margin.

At Parker Field in a City League and Central District game, Tee Jay took a 4-3 thriller from the John Marshall Justices.

With three games remaining, the Jeffs hope to pull their overall mark to even or better by the end of the season.

TRACKSTERS ON THE RUN

In his first season as head coach of the track team, Coach Lem Fitzgerald seems to have developed an excellent squad. After taking a second in the State Indoor Meet at Lexington, the Jeffs lost indoors at Woodberry Forest. Trampling their first outdoor opponent, Hermitage, the Presidents went on to overcome Hopewell and Lane. At Williamsburg Tee Jay came out on top in the Tidewater Meet for the first time in the school's history. By upsetting Woodberry Forest, State Prep Champ, two school records were broken. Miler Norman Williams ran his specialty in a record-breaking time, as did Howard Moss, a first year man, in the 220. Defeating E. C. Glass by a comfortable margin, the Jeffs are looking forward to an undefeated season. Leading the Squad this year were Co-captains Bill Hopkins and Dick Stephenson.

GIRLS' TENNIS

This year forty femme netters from Tee Jay began practicing three days a week during the sixth period and after school on the Byrd Park Tennis Courts. Skillfully coached by Miss Edith Todd and led by co-captains, Patricia Mayo and Virginia Helbig, the girls competed among themselves for the highest spot on the two separate ladders. Those girls who hold the top positions at the end of the season are given awards.

BOYS' TENNIS

Under the able leadership of Mr. Sam Woods, Sr., the 1954 Tee Jay tennis team has done creditably. Wayne Adams and Sidney King, sophomores, and Phil Morgan, senior, respectively, occupy the first, second, and third positions on this season's ladder, which consists of seventeen men. "We have a young team, without the stars of former years — but our balance may win for us," stated Mr. Woods and his prediction is being fulfilled.

PLANNING FOR FUTURE SECURITY

Throughout the nation this June, thousands of young men and women are graduating from high schools. Many of them look towards college educations and career opportunities which could not have been theirs except for life insurance purchased for them years ago by a loving parent or relative.

Life insurance guarantees many other personal and family ambitions, too, and its ownership will bring you the same satisfaction and security it now provides millions in all walks of life.

earn while you learn!

Your pay starts from the first day at the telephone company — even while you're learning your new job!

That's one reason so many young girls choose a telephone job when they finish school. They don't need experience to get this good job — and they're paid while they learn a skill that'll always be useful.

Find out more about the variety of telephone jobs from your high school counselor — or come in and see us when you finish school.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

WE WISH TO EXPRESS

OUR SINCERE APPRECIATION

. . . TO OUR ADVISERS, Miss Grace Rowe and Miss Frances Gray, for their constant endeavors to keep us rolling along the right path.

. . . TO OUR PUBLISHERS, Mr. Stirling King and Whittet and Shepperson, for their wonderful cooperation and interest in producing this book.

. . . TO OUR FRIEND, Major Andrew Miller, for donating so much of his time and materials to develop "rush" pictures.

. . . TO OUR ADVERTISERS, for helping us in such an important way to produce the 1954 Monticello.

. . . TO OUR STAFF PHOTOGRAPHERS and all the staff members, for working so diligently to record the school year in pictures and copy.

. . . TO OUR ART TEACHERS, Miss Ann Charlton, Miss Sue Huff, and Mr. William Bevilaqua, for advising our art staff on designing mobiles to carry out our theme.

. . . TO OUR PHOTOGRAPHERS, Mr. Anthony L. Dementi, Mr. Henry Caston, and Mr. W. C. Whitaker, for delivering pictures in time to meet the deadlines.

. . . TO ALL THE STUDENTS OF THOMAS JEFFERSON, for being such inspiring and cooperative subjects during the past year.
To each and every one, we say, "THANK YOU."
